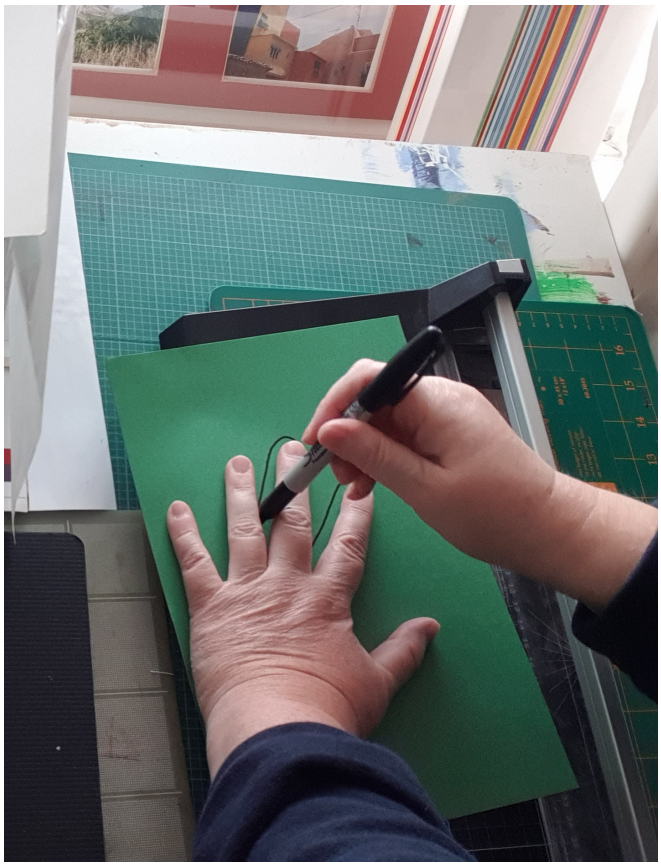
Palm Sunday crafts with Louise ☺

Make your own palm branch or palm cross to wave and celebrate in our Sunday worship

It's tricky to get hold of palm branches in the city in the UK so maybe look in your garden or local park for a long leaf.
I still couldn't find any so paper or card is fine too ☺

Method 1 (super simple)



1) Draw around your hand

2) Draw a long strip (about 2cm wide)

3) Cut out the hand and strip of paper

4) Stick the hand to the strip and wave!

Method 2 (super duper simple)

1) Two long leaves or strips of paper/card

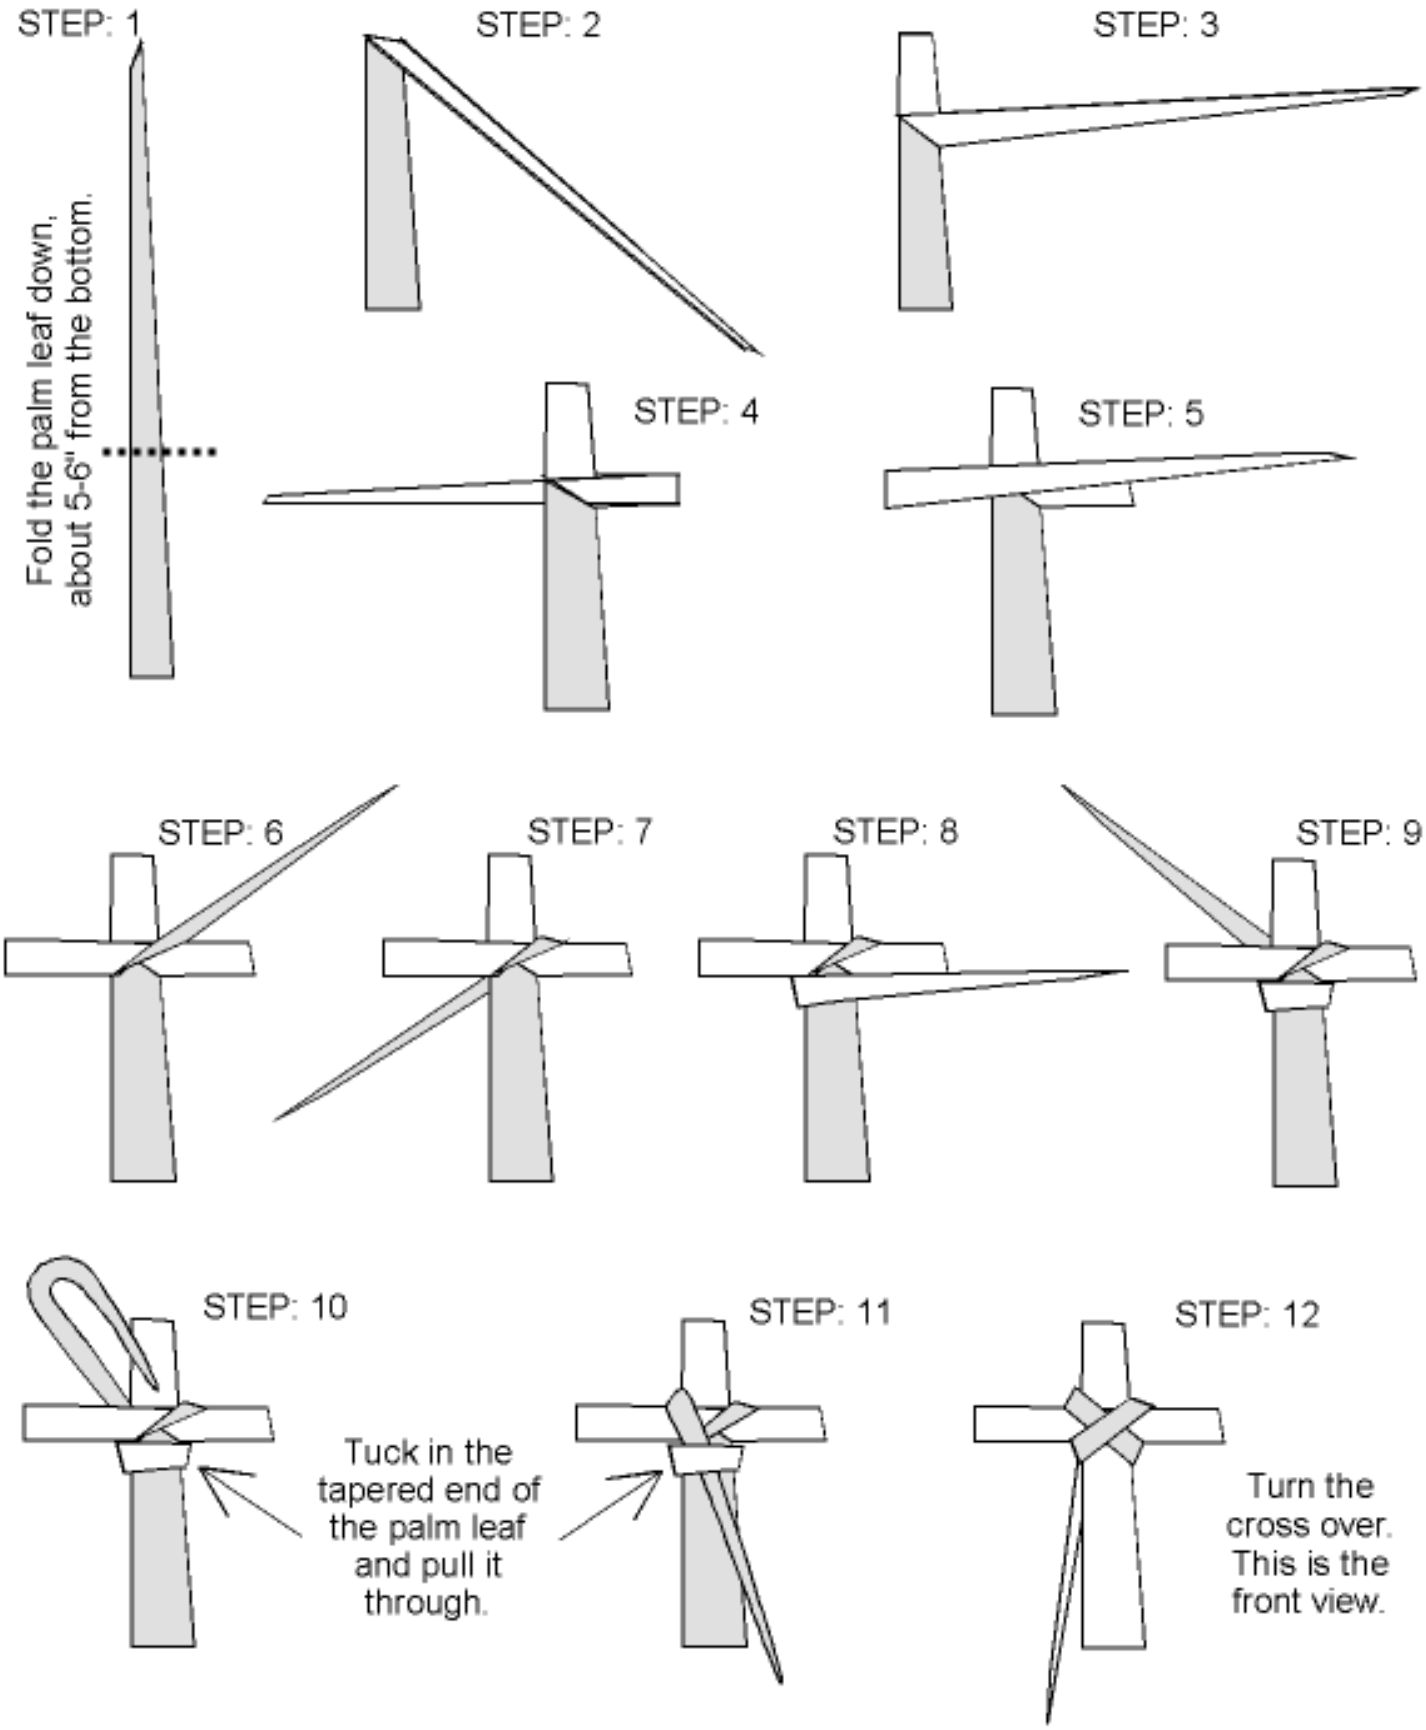
2) Stick them together to look like a cross

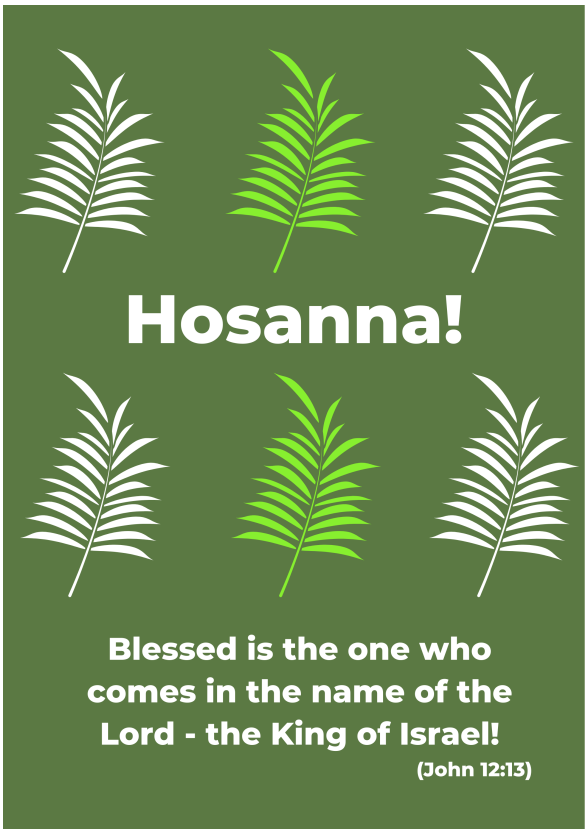
3) Why not make lots of them to decorate your front door, home, or maybe cover the floor with your creations and some coats, just like we read in the Bible story?
And remember to wave during our Palm Sunday service!

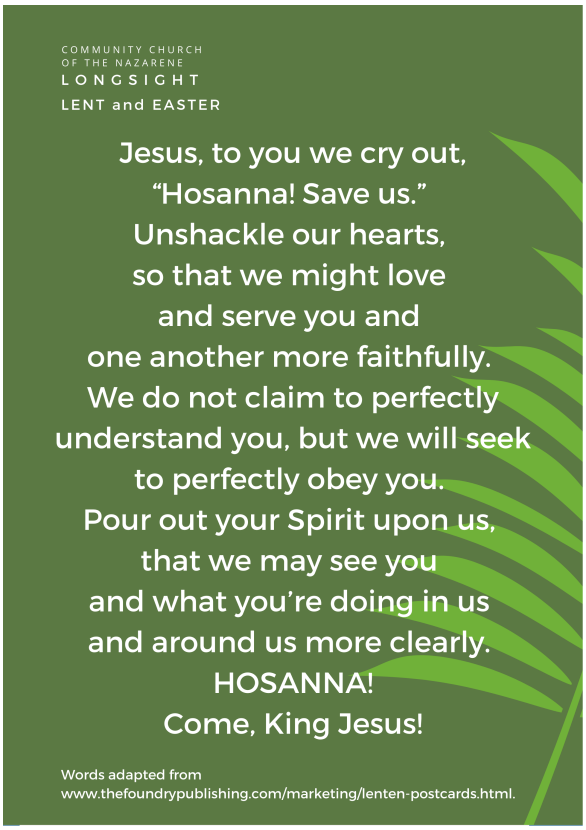
Method 3 (a bit trickier!)

If you don't have a palm leaf or a long leaf just use paper ☺

Supplies: One palm leaf strip about 24-26" in length, 1/2" in width, tapering to the end.



Method 4 (for the crochet lovers!)




If you don't have a palm leaf or a long leaf just use paper ☺
